Information

01. Stocks and Sizes to Suit You

Our Heras® fence covers come in a range of standard sizes for fences, barriers and gates offering the perfect fit for any project. With three stock options to choose from you're in control when it comes to marketing your business and protecting your privacy.

02. Fully Customisable Finish

Our Heras® fence covers are hemmed for a seamless look. Plastic rust resistant eyelets will be added every 50cm for easy installation and there's an option for square or angled corners for a secure, hassle-free fit every time.

03. Fade and Weather Resistant

Using cutting-edge printers, our Heras® fence cover colours stay sharp, bold, and bright, no matter what the weather throws at them. Plus, both the Air-mesh and Mesh materials allow wind to pass through ensuring your fence stays safely in place.

Options

Stock	Best For	Key Benefits	Cost
110gsm Air-mesh Polyester	Lightweight, breathable applications such as temporary fencing at events or construction sites.	Strong yet lightweight breathable fabric that reduces wind resistance. Ideal for short-term use and easy to transport.	£
440gsm Banner PVC (Crowd Barrier Only)	Tough and reliable, this cover is exclusively designed for crowd barriers, built to withstand the hustle and bustle of any event.	Super strong and sturdy, the thick PVC material is ideal for long-term promotions and events and is resistant to all kinds of weather.	£
370gsm Mesh PVC	Durable, long-lasting fencing that can handle tough environments.	Heavy-duty, robust material that's weatherproof and fade resistant. Perfect for more permanent installations or high-traffic areas.	££
